**I am seeking the position of International Sales Manager for
Giant Industrial Corporation reference #12345**

Objective Statement

As a result of my skills, experience and education I am capable of significantly increasing net revenue by implementation of innovative, proven management, motivational and sales training techniques.

Selected Accomplishments

- Inherited and then overcame a \$5,000,000 deficit in a badly designed national sales promotion by completely redesigning and developing a far superior plan resulting in a new system that reduced typical man hours the sales staff devoted to plan by 23% while increasing sales in excess of \$1,000,000 per quarter.
- Saved over \$500,000 annually in key sales communication systems and national transportation expenses while improving level of service to clientele.
- Dramatically reduced sales staff turnover by 28% due to more focused recruiting and selection process. Enhanced training and the creation of targeted management groups resulting in countless man-hour savings.
- Analyzed and merged more than 14 compensation plans into one corporate plan that resulted in a savings exceeding \$270,000 the following fiscal year while continuing to fairly compensate the sales staff for their efforts.
